Prayer for today:

God we thank you that you gave the ultimate sacrifice of your son Jesus for our wrong doings. We are sorry for the times we worship other things and place them higher on our priorities than you. Help us turn to you when things get tough, help us trust in you when you ask us to lay down some of those good things in our lives, and help us love you the way you call us to.

Abraham had a deep desire for a son. He was promised by God descendants that would be as numerous as the stars. Finally the day came when Isaac was born... And then God asked for Abraham to give him up!

Why do you think God asked Abraham to do this?
Discuss with those in your house and with your families.
How do you think Abraham felt?

Isaac was a blessing from God but had taken priority in Abraham's life. Abraham's journey up the mountain was to place God back at the centre of his worship. What are some of the Isaac's in your life?

What mountain is God asking you to climb?
