

Scratch Art Star Map

You will need:

Heavy Cardstock
Crayons
Black acrylic craft paint
Dish Soap
Paint Brush
Skewer

1. Start by colouring your cardstock with your crayons. Make sure to cover the entire paper.
2. Then mix 2 parts black paint with 1 part dish soap, mix well but not too fast, you want to avoid bubbles in your paint.
3. Use a sponge or wide paint brush, apply a thick coat of paint over the crayon. Use even strokes and add a second coat if needed to cover all the colour.
4. Let this dry completely, it will be ready to use after about 1-2 hours.
5. Now it's time to have some fun. Grab a skewer and scratch in your patterns.

"This is the message we have heard from him and declare to you: God is light; in him there is no darkness at all."
